Products of Ambulatory Surgery Rates Avicenna ASC, Inc. 2522 Hughes Avenue Bronx, NY, 10458

Dear Sir or Madam:

Avicenna ASC, Inc. (Operating Certificate #7000282R) has been approved to provide ambulatory surgery services. The workers' compensation rates for this provider have been listed on the attachment.

This schedule has been adopted pursuant to Section 13, subdivision (a) of the Workers' Compensation Law and constitutes Sections 329.4 and 329.5 of Title 12 of the Compilation of Codes, Rules and Regulations of the State of New York. The schedule covers ambulatory surgery charges effective March 21, 2015 – September 30, 2015 for services to patients under the Workers' Compensation Law, the Volunteer Firefighters' Benefit Law, the Volunteer Ambulance Workers' Compensation Benefit Law and the Comprehensive Motor Vehicle Reparations Act.

Since the Workers Compensation Board utilized the "PAS (Products of Ambulatory Surgery) Methodology" for ambulatory surgery reimbursement through September 30, 2015 the rates on the attachment represent 150% of the PAS Medicaid rates.

Please note that the Workers' Compensation Board transitioned to APG Methodology for ambulatory surgery services performed at hospitals and ambulatory surgery facilities effective October 01, 2015.

If I can be of further assistance, you may contact me at 1-800-781-2362.

Sincerely,

Patricia A. Furdyna, RN
